SHIPPED SEMEN BREEDING CONTRACT, CLYDE'S GALLANT FOX

This JACK BREEDING CONTRACT for the breeding season of 2024, is made and entered into on _____ by and between Dan & Tabitha Holland, Signature Equine herein after designated breeder, and _____ hereinafter designated mare owner. Mare/jennet owner agrees to breed the Mare/jennet _____, Reg.No. _____, to the Mammoth Jack, Clyde's Gallant Fox, for the fee of \$750.00 for one mare/jennet, or \$1250.00 for two mares/jennets, for a live foal(s), subject to the following conditions:

The full breeding fee is payable upon execution of this contract. All other expenses are due, when mare/jennet is picked up or when mare/jennet owner is invoiced, whichever is first. Invoices are payable upon receipt. Credit Cards are accepted with a 3% surcharge. Mare/jennet owner may not remove mare from breeder's possession until all expenses are paid in full including veterinarian expenses.

Breeder agrees to provide suitable facilities for the care and feed of mare/jennet and/or foal while in his custody. Mare/jennet owner agrees to pay for care and feed at \$10 per day for dry mares and \$15 day for wet mares. Breeder will exercise judgement consistent with recognized standards in care and supervision of mare and/or foal. Breeder assumes responsibility for arranging veterinarian and farrier services as necessary. Breeder's veterinarian will examine mare for normal breeding conditions and administer medical care as deemed necessary for the health and safety of the mare and/or foal. All veterinarian and farrier expenses will be paid by Mare/Jennet Owner.

Semen that is picked up from Signature Equine by mare/jennet owner or agent will have a packaging cost of \$100.00.

Mares/Jennets that are not halter broken or otherwise dangerous will not be accepted. The mare/jennet shall be in a healthy and sound breeding condition, free from infections contagious and transmissible diseases. A current negative Coggins test and a photo copy of registration papers (both sides)(if registered) are required. If mare/jennet is in questionable condition then breeder's veterinarian will examine and/or test the mare/jennet at mare/jennet owner's expense. Breeder reserves the right to refuse mare if not in satisfactory condition.

If a mare dies or is deemed unfit to breed during the breeding season, a substitute mare, approved by the jack owner, may be bred without any additional breeding fee.

The mare/jennet owner agrees to have the mare checked by ultrasound no later than 18 days after insemination. If ultrasound is unavailable, mare/jennet owner agrees to have the mare/jennet checked for pregnancy by licensed veterinarian within 30 days of insemination. Mare owner agrees to provide Signature Equine with the results of the pregnancy exam no later than 30 days after insemination.

Breeder agrees to diligently try to settle mare/jennet; however, if mare fails to settle, for any reason, mare owner will hold breeder blameless. Mare owner agrees to give breeder ample opportunity to settle mare, including a minimum of 3 breeding cycles.

This Contract contains a 'Live Foal Guarantee'. A live foal is described as a newborn foal that stands and nurses without assistance. If foal is born dead there are return privileges for the 2025 season only if Breeder is notified within 7 days and receives a veterinarian's statement confirming death. If after being pronounced "safe in foal", the mare/jennet should miscarry, abort or prove barren after leaving the breeder's premises, mare owner has the privilege to return her for rebreeding during the current breeding season, or the following year, 2025.

If the mare owner fails to rebreed the mare the following year, then any and all fees become forfeited, the right to rebreed is cancelled and the jack owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties.

A 'Breeder's Certificate' will be issued for the foal conceived by this mating when jack fee, veterinarian expenses and all other expenses have been paid in full and, when mare has produced a live foal that stands and nurses by this mating. Both parties agree that Signature Equine, the breeder, their agents or employees are not liable for death, sickness and/or accident including consequential damages caused to the mare and/or foal unless such death, sickness and/or accident was by the willful and wanton gross negligence of the breeder; and the mare owner is not liable for death, sickness and/or accident including consequential damages caused to the stallion.

It is further agreed that should the jack die, be sold by the owner, or become unfit for service, prior to settling the mare, that the breeding fee will be refunded, if it has been paid in full, thereby canceling this entire contract; or, if mare dies or becomes unfit to breed, the breeder has the option but is not required to accept another mare/jennet as a replacement.

This contract is non-assignable and non-transferable. The mare/jennet owner is responsible for all personal property taxes and full insurance on mare and foal (if desired).
